Urticaria World Guideline

We are pleased to announce that the Urticaria Guideline will be updated in 2020 and we are starting the process now. EuroGuiDerm will participate in this multi-society project!

The Centre for Evidence Based Dermatology in Nottingham has launched the new **CEBD Coronavirus Dermatology Resource** website with journal articles, guidelines, evidence-based resources and patient information
<https://www.nottingham.ac.uk/research/groups/cebd/resources/Coronavirus-resource/Coronavirushome.aspx>

NEW GUIDELINES

- Review of the **EuroGuiDerm Psoriasis Guideline** by Nast et al is completed. Thanks for participating in the consultation phase. We received **review comments from 22 stakeholders** that were not part of the guideline development group.
- Review of the guideline for **Diagnosis and Therapy of Dermatitis herpetiformis** by Sárdy et al has been completed.

All guidelines can be found on the EDF website: <https://www.edf.one/home/Guidelines/EDF-EuroGuiDerm.html>

The EuroGuiDerm Team is sending best wishes to everyone in these unprecedented times!
